women into construction

13th to 15th Oct 2008
Centenary Square, Bradford

FREE exhibition, careers advice, hands-on workshops, top prize draw and much more!

what's on at the event?

The three day event aims to help you find out more about careers in construction.

The programme offers pupils, parents and the public a fantastic insight into the many different construction trades and career opportunities.

Come along and see what it takes to build a career in construction. It's your chance to meet construction professionals, apprentices, training experts and more.

You can have a go at a range of trade skills from bricklaying to joinery.

There's also a £100 worth of shopping vouchers to be won in our prize draw!

The event is organised by Incommunities - property solutions and Wates Living Space in association with ConstructionSkills and a host of leading organisations.
